Working Group 4
T/O Standardization

LtCol K. B. Kvenlog

Facilitator

Purpose

- To provide MP Conference attendees recommended changes regarding T/O standardization

Outline

- Introduction
- Methodology
- Assumptions
- Deliverables
- Q & A
- Summary

Methodology

- Col Flanagan - comments
- Small group discussions
- Garrison MP billets used as baseline
- Law Enf and MOS manuals referenced
- Interviews/Q & A conducted for ISS/SctyBn Point Paper

Assumptions

- We don’t own T/O
- PM will have authority to realign assets and task organize based on local needs/mission requirements
- Non-58xx MOS’s in PMO not considered
- Changes to civilian T/O require HRO approval

Deliverables

- Provost Marshal to Patrolman billet description list
- Standardization of department name & sub-sections
- Unification of Emergency Services

Provost Marshal to Patrolman

- Standardize billet titles for all garrison MP billets
- Throw-outs
  - Taxi Inspector
  - License & Theft
  - Marijuana Detection Dog Handler
